

Event Refund & Cancellation Policy:**Refunds:**

Refund requests received 1 week prior to the event will be offered a choice of transferring their registration to a future event or receiving a refund. No requests will be processed within 7 days of the event. This is due to our catering arrangements; we must provide final confirmation with enough lead time for caterers to accommodate us. In extenuating circumstances, event registrations can be transferred to another delegate.

Cancellation:

Due to unforeseen circumstance if SCMA AB cancels an event all registrants will be offered the option to transfer the registration to a future event or receive a refund.

Please send cancellation request to [Arnold D'souza](#), Events & External Relations Coordinator.
